

# DREMEL®

## 7000-N/5 6.0V Cordless Rotary Tool

Model # 7000-N/5

### Product Specifications

Designed for drilling, sanding, shaping, detailing and other light-duty jobs, this compact rotary tool uses standard AA alkaline batteries to eliminate the need for a battery charger. The 7000 comes in extremely handy in and around the house and places where no electricity is available. The tool features two speeds and can be used with most Dremel rotary tool accessories with up to a 1/8 In. shank diameter.

- Two speeds 7000 and 18,000 RPM to match the proper speed required
- Compact and lightweight for easy handling
- Easily available AA alkaline batteries eliminate the battery charger
- Two-year warranty
