

HAIIC MICA Wireless USB

Image is for illustration purposes only. Please refer to product description.

Part number	20 95 000 0015 00
Specification	HAIIC MICA Wireless USB
HARTING eCatalogue	https://b2b.harting.com/2095000001500

Identification

Series	HARTING IIC
Element	MICA
Specification	Wireless USB

Version

Processor	Dual core 1.3 GHz ARM
Memory	2 GB RAM 16 GB eMMC
Fixing	On-wall or DIN rail mounting
Diagnostic display	LEDs to display operating state LEDs to display connection status

Termination data

Supply voltage	24 V DC
Interfaces	GPS GSM: 2G/3G/4G WiFi: 802.11a/b/g/n WPA/WPA2 Enterprise Bluetooth: BLE 4.0 USB 2.0

Technical characteristics

Limiting temperature	-20 ... +55 °C
Storage temperature	-25 ... +85 °C
Relative humidity	5 ... 95 % Non-condensing

Pushing Performance
Since 1945

Technical characteristics

Degree of protection acc. to IEC 60529 IP67

Material properties

Material (hood/housing)	Aluminium
Surface (hood/housing)	Powder-coated
Length	132 mm
Width	86 mm
Height	35 mm

Specifications and approvals

Specifications	Directive 2014/53/EU Directive 2011/65/EU
----------------	--

Commercial data

Packaging size	1
Net weight	585.1 g
Country of origin	Germany
European customs tariff number	84714100
eCl@ss	90909090 Interim classification (unspecified)
