Glove Box Dispenser – Single – Cart Mount
### Installation Instructions/Characteristics & Care

Installation
Always mount dispensers securely *prior* to loading with product.

- Attach bracket to dispenser, using the 4-40 x 1/4" Phillips screws with tooth lock washers and 4-40 acorn nuts.

1

- Bracket can be used to attach to the rail or top edge of a cart.

2

Care and Construction
Powder-Coated Steel

Material Characteristics

Designed for Long–Term, Heavy–Duty Applications

Dispensers and stands made of powder coated steel are both attractive and functional, providing years of service. Our powder coated steel dispensers and stands provide long-lasting products that hold up well in tough environments.

Powder coated steel is ideal for dispensers used in a healthcare or an industrial setting. It is impact resistant and is not effected by extremes in temperature.

Care and Cleaning

The powder coated finish resists common chemicals and cleaning agents and can be easily wiped clean with soap and water.

Parts included:

- Dispenser
- Bracket
- (2x) Steel Flat Screws - 4-40 x 1/4"
- (2x) Steel Tooth Lock Washers - 4-40
- (2x) Steel Acorn Nuts - 4-40

Tools Required:

- Flat Screwdriver
- 1/4" Nut Driver or small wrench/pliers
