# MT15-ROD-100-SS, No Scale

Ruland Hollow Round Tube, OD 15mm, ID 12mm, L 100mm, Stainless Steel

Description

Ruland MT15-ROD-100-SS is a solid round tube with a 15mm outside diameter, 12mm inside diameter, and 100mm overall length. It is designed to fit with Ruland clamp connectors, swivel components, and mounting bases that begin with MT15. MT15-ROD-100-SS is made of 304 stainless steel for high corrosion resistance. It is used to support components for mounting sensors, screens, reflectors, plexiglass machine guards, and other industrial components. MT15-ROD-100-SS is hollow for reduced weight and to help protect wires from components such as cords and screens from being damaged. When combined with MT15-RTUBECAP-P tube caps the user can drill in the tube cap to reduce cords exposure to the operating environment for safety. It is precision ground to help reduce surface imperfections. MT15-ROD-100-SS is manufactured by Otto Ganter, inventoried by Ruland, and RoHS3 compliant.

Product Specifications

Outside Diameter OD	15 mm	Inside Diameter ID	12 mm
Overall Length L1	100 mm	Fits With Clamps	MT15
Tube Tolerance	h11	Weight (lbs)	0.101700
Material Specification	304 Stainless Steel	Manufacturer	JW Winco/ Otto Ganter
UPC	634529230732	Country of Origin	Germany
Tariff Code	7609.00.0000	UNSPC	31162908
Note 1	Performance ratings are for guidance only. The user must determine suitability for a particular application.		
Prop 65	⚠️**WARNING** This product can expose you to the chemical Nickel (metallic), known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
