3SU1150-2BF60-3MA0

Data sheet

Selector switch, illuminable, 22 mm, round, metal, shiny, white, selector switch, short, 2 switch positions O-I, latching, actuating angle 90°, 10:30h/13:30h, with holder, 1 NO, 1 NC, Spring-type terminal

product decignation	
product designation Se	elector switches
design of the product Co	omplete unit
product type designation 3S	SU1
product line Me	etal, shiny, 22 mm
manufacturer's article number	
• of supplied contact module at position 1 3S	SU1400-1AA10-3BA0
• of supplied contact module at position 2 3S	SU1400-1AA10-3CA0
• of the supplied holder 3S	<u>SU1550-0AA10-0AA0</u>
• of the supplied actuator 3S	SU1052-2BF60-0AA0
Enclosure	
number of command points 1	
Actuator	
design of the actuating element Se	elector, short
principle of operation of the actuating element late	ching, 90° (10:30 h/13:30 h)
product extension optional light source Ye	es
color of the actuating element wh	nite
material of the actuating element pla	astic
shape of the actuating element rou	und
outer diameter of the actuating element 32	2.3 mm
number of contact modules 2	
number of switching positions 2	
actuating angle	
• clockwise 90	0
Front ring	
product component front ring Ye	es
design of the front ring sta	andard
material of the front ring Me	etal, high gloss
color of the front ring silv	ver
Holder	
material of the holder Pla	astic
Display	
number of LED modules 0	
General technical data	
product function positive opening Ye	es
product component light source No	
insulation voltage rated value 50	0 V
degree of pollution 3	
type of voltage of the operating voltage AC	C/DC
