| product brand name  | Class 14 & 22                            |
|---|--|
| design of the product   | Full-voltage non-reversing motor starter |
| special product feature   | Half-size starter                        |
| General technical data  |  |
| weight [lb]   | 48.5 lb                                  |
| Height x Width x Depth [in]   | 26 × 13 × 8 in                           |
| touch protection against electrical shock                               | NA for enclosed products                 |
| installation altitude [ft] at height above sea level maximum            | 6560 ft                                  |
| ambient temperature [°F]  |  |
| <ul> <li>during storage</li> </ul>                                      | -22 +149 °F                              |
| during operation  | -4 +104 °F                               |
| ambient temperature   |  |
| <ul> <li>during storage</li> </ul>                                      | -30 +65 °C                               |
| during operation  | -20 +40 °C                               |
| country of origin   | USA                                      |
| Horsepower ratings  | _  |
| yielded mechanical performance [hp] for 3-phase AC motor                |  |
| • at 200/208 V rated value  | 30 hp                                    |
| • at 220/230 V rated value  | 40 hp                                    |
| <ul> <li>at 460/480 V rated value</li> </ul>                            | 75 hp                                    |
| • at 575/600 V rated value  | 75 hp                                    |
| Contactor   |  |
| size of contactor   | Controller half size 3 1/2               |
| number of NO contacts for main contacts                                 | 3  |
| operating voltage for main current circuit at AC at 60 Hz maximum       | 600 V                                    |
| operational current at AC at 600 V rated value                          | 115 A                                    |
| mechanical service life (switching cycles) of the main contacts typical | 500000                                   |
| Auxiliary contact   |  |
| number of NC contacts at contactor for auxiliary contacts               | 0  |
| number of NO contacts at contactor for auxiliary contacts               | 1  |
| number of total auxiliary contacts maximum                              | 7  |
| contact rating of auxiliary contacts of contactor according to UL       | 10A@600VAC (A600), 5A@600VDC (P600)      |
| Coil  |  |
| type of voltage of the control supply voltage                           | AC                                       |
| control supply voltage  |  |

| <ul> <li>at AC at 50 Hz rated value</li> </ul>   |  |
|--|--|
|  | 380 440 V  |
| at AC at 60 Hz rated value   | 440 480 V  |
| holding power at AC minimum  | 14 W   |
| apparent pick-up power of magnet coil at AC  | 310 VA   |
| apparent holding power of magnet coil at AC  | 26 VA  |
| operating range factor control supply voltage rated value<br>of magnet coil  | 0.85 1.1   |
| percental drop-out voltage of magnet coil related to the<br>input voltage  | 50 %   |
| ON-delay time  | 26 41 ms   |
| OFF-delay time   | 14 19 ms   |
| Overload relay   |  |
| product function   |  |
| <ul> <li>overload protection</li> </ul>  | Yes  |
| test function  | Yes  |
| external reset   | Yes  |
| reset function   | Manual and automatic   |
| adjustment range of thermal overload trip unit   | 0.85 1.15  |
| number of NC contacts of auxiliary contacts of overload relay  | 3  |
| number of NO contacts of auxiliary contacts of overload relay  | 0  |
| operational current of auxiliary contacts of overload relay  |  |
| • at AC at 600 V   | 5 A  |
| ● at DC at 250 V   | 5 A  |
| contact rating of auxiliary contacts of overload relay according to UL   | 5A@600VAC (B600), 5A@250VDC (P300)   |
| Enclosure  |  |
| degree of protection NEMA rating   | 4X, 304 stainless steel  |
| design of the housing  | Extra-wide   |
| design of the housing  | dustproof, waterproof & resistant to corrosion   |
| Mounting/wiring  |  |
| mounting position  | Vertical   |
|  |  |
