- Use in a variety of applications, including IV poles, carts, cribs and bed rails

Package Includes

- PSCLAMP Mounting Clamp for Medical-Grade Power Strips
- Owner's Manual

Provides an extra measure of safety when mounting medical-grade power strips.

Description

The PSCLAMP lets you mount a Tripp Lite medical-grade power strip to an IV pole, mobile cart, crash cart, mobile medical workstation, hospital bed rails or crib, while maintaining compliance. This clamp includes a removable drip shield that adds extra protection when there are liquids in the environment. The cord manager lets you wrap the unused power cord, eliminating a tripping hazard and protecting the cord from damage.

The clamp's mounting adapters fit any diameter from 1 inch to 2.25 inches to work in a variety of applications. A locking nut is included. The PSCLAMP comes pre-assembled, so you simply mount it and it's ready to use.
