# MT16-ROD-200-SS, No Scale

Ruland Hollow Round Tube, OD 16mm, ID 13mm, L 200mm, Stainless Steel

Description

Ruland MT16-ROD-200-SS is a solid round tube with a 16mm outside diameter, 13mm inside diameter, and 200mm overall length. It is designed to fit with Ruland clamp connectors, swivel components, and mounting bases that begin with MT16. MT16-ROD-200-SS is made of 304 stainless steel for high corrosion resistance. It is used to support components for mounting sensors, screens, reflectors, plexiglass machine guards, and other industrial components. MT16-ROD-200-SS is hollow for reduced weight and to help protect wires from components such as cords and screens from being damaged. When combined with MT16-RTUBECAP-P tube caps the user can drill in the tube cap to reduce cords exposure to the operating environment for safety. It is precision ground to help reduce surface imperfections. MT16-ROD-200-SS is manufactured by Otto Ganter, inventoried by Ruland, and RoHS3 compliant.

Product Specifications

Outside Diameter OD	16 mm	**Inside Diameter ID**	13 mm
Overall Length L1	200 mm	**Fits With Clamps**	MT16
Tube Tolerance	h11	**Weight (lbs)**	0.221600
Material Specification	304 Stainless Steel	**Manufacturer**	JW Winco/ Otto Ganter
UPC	634529230930	**Country of Origin**	Germany
Tariff Code	7609.00.0000	**UNSPC**	31162908
Note 1	Performance ratings are for guidance only. The user must determine suitability for a particular application.		
Prop 65	⚠WARNING This product can expose you to the chemical Nickel (metallic), known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
