

**6ft AC Power Extension Cord, C13 to C14, 18AWG,
10A/250V, Red
(M05-113EULR)**

18/3 UL SVT 105°C RED COLOR IEC-60320-C14 TO IEC-60320-C13

Make your work environment more flexible and efficient with our UL approved 6 feet AC power extension cord. Easily extend computer and other electronics' power cables when power outlets aren't close by. The female connector plugs directly into a device, while the male connector plugs into an existing cable. Compatible with monitors, printers, scanners, and many data peripherals that use the 3-pin shroud power connector. Plus, this heavy duty 18 AWG cord features a fully molded design for maximum durability and long life.

Features:

- Connector types: I IEC-60320-C14 to IEC-320 C13
- 18AWG
- Voltage rating: 250V
- Amperage rating: 10A

without us, you are just not connected! ■
