

T1 TIMER (Delay On Make)

T1K-AVG T M Rxx

Operation and Programming

Timer has two buttons and a 3 digit display for programming. The following button actions are used in programming:

- x Pressing Left (L) or Right (R) Button
- x Pressing Right (R) Button
- x Pressing Both Left and Right (LR) button saves the displayed value and/or advances timer to next parameter.
- x Pressing Left (L) or Right (R) from the default display will prompt timer to scroll through programmed values.
