TREBLAB X5 – True Wireless Earbuds With Bluetooth 5.0 and Superior Sound

Check out TREBLAB X5-New main features below

UNRIVALED SOUND QUALITY AND RANGE - The TREBLAB X5 TWS Bluetooth earbuds use expandable silicone-tips to reduce outside noise so they can deliver clear, crisp stereo-quality sound thanks to the advanced 8.2mm drivers, while the versatile volume range can reach highs and lows to perfectly balance out the sound of whatever you are listening to.

LONG-LASTING BATTERY FOR YOUR BUSY LIFESTYLE - The TREBLAB X5 truly wireless earbuds with charging case can last for over 35-Hours with the portable charging case that can recharge the earbuds up to 4x with charging time taking only 2H. You can also use the earbuds in Stereo mode (L and R earbud together) or use only one to save battery life.

MANY-SIZED EAR-TIPS FOR MAXIMUM COMFORT AND SECURITY - The TREBLAB X5 Bluetooth in-ear headphones with mic come equipped with three sets of different-sized silicone ear tips as well as anti-fall ear fins that conform to the shape of your ear and fit so securely and discreetly you will forget you are wearing them.

LIGHTNING-FAST BLUETOOTH CONNECTIVITY - The TREBLAB X5 true wireless headphones Bluetooth 5.0 can pair in an instant with any Apple Iphone or Android device via the updated Bluetooth 5.0 chip inside so you stream Netflix and YouTube videos uninterrupted, while the connection stays stable within a 33ft signal range.

CRYSTAL-CLEAR SOUND QUALITY FOR PRIORITY CALLS - The TREBLAB X5 wireless Bluetooth headphones with microphone allow you to take important calls on-the-go with a hands-free, noise-cancelling design as they fit comfortably in your ear. The wireless headset also features a built-in CVC 8.0 mic for unparalleled call reception.

Key Features
