

# **SPZ-50 Stereo Zoom Microscope** with OLED Ring Light and Pole Stand

Magnification 6.7x-50x

Rack & Pinion Focus Mount Coarse Adiustment

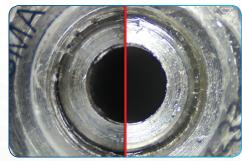

OLED Ring Light reduces glare and provides a natural light tone

**OLED Ring Light** 

Standard ring light

#### Fully Adjustable Organic Light Provides Natural, Even Color Tone

The SPZ binocular stereo zoom microscope offers the best-in-class zoom ratio with super sharp 3D images, a wide field of view, and a long working distance, making it an ideal choice for high throughput inspection stations, engineering, and science labs. This system features the OLED Ring Light. When compared to standard LED ring lights, the OLED Ring Light provides reduced glare and a natural light tone.

- Four adjustable OLED panels provide uniform, shadow-free illumination with excellent color rendering for true-to-life colors
- Best-in-class zoom ratio of 7.46.1
- Rack and pinion focus mount
- Compact stand saves bench space
