

## LA92-1/2X13:63-PS

Ruland Adjustable Clamping Lever, Lever Length 92mm, Stud Thread 1/2X13, Stud Length 63mm, Plastic Lever, Stainless Steel Inserts

### Description

Ruland LA92-1/2X13:63-PS is an adjustable clamping handle with a 92mm handle, 1/2X13 threaded stud, 63mm stud length, 19mm insert diameter, and 65mm overall height. The handle is plastic and the inserts are stainless steel for reduced weight, easier adjustment of the handle in light duty applications, and use in corrosive environments. LA92-1/2X13:63-PS is commonly found in packaging, printing, food processing, and medical systems where conveyor rails, sensors, screens, and other components require frequent adjustments without the use of tools. The adjustable feature of this handle allows it to be used in confined spaces with limited hand access or where 360 degree rotation is not possible. Serrations connect the insert to the handle for easy disengagement. The user pulls the handle upwards by hand to disengage the serrations allowing it to be swiveled to the desired clamping position. Serrations automatically re-engage once the user releases the handle locking it in place. A 1/2X13 threaded stud can replace existing hardware in an application or mate to an equivalently sized tapped hole for a quick installation. LA92-1/2X13:63-PS is black to seamlessly integrate with the aesthetics of most equipment. It is manufactured by JW Winco, stocked by Ruland, and RoHS3 and REACH compliant.

### Product Specifications

<b>Thread (TH)</b>	1/2 in - 13 TPI	<b>Stud Length LS</b>	63 mm
<b>Lever Length L1</b>	92 mm	<b>Overall Height H1</b>	65 mm
<b>Hub Height H2</b>	43 mm	<b>Hub Diameter DH</b>	25.2 mm
<b>Handle Disengagement Travel H3</b>	4 mm	<b>Sleeve Length L2</b>	11 mm
<b>Sleeve Diameter D1</b>	19 mm	<b>Handle Material</b>	Plastic
<b>Handle Color</b>	Black	<b>Insert and Screw Material</b>	303 Stainless Steel
<b>Weight (lbs)</b>	0.323800	<b>Manufacturer</b>	JW Winco/ Otto Ganter
<b>UPC</b>	634529237762	<b>Country of Origin</b>	USA
<b>Tariff Code</b>	3926.90.2500	<b>UNSPC</b>	31162807
