

420 - Angled Head Micro-Shear[®] Flush Cutter

Product Description

Allows easier cutting in small spaces. Angled cutter head provides excellent sight lines when used in either a vertical or horizontal position.

Designed for cutting soft wire up to 20 AWG (.8mm). Also works well on flexible stranded bead wire and craft wire.

Key Features

- Angled head provides excellent sight lines
- Slim profile for accessibility
- Glare-eliminating finish, non-slip Xuro-Rubber grips and light weight for operator comfort
- Flush cuts soft wire up to 20 AWG (0.8mm)
- Made In USA
