#### Identification

| Category           | Modules                          |
|--------------------|----------------------------------|
| Series             | Han-Modular <sup>®</sup>         |
| Type of module     | Han <sup>®</sup> 200 A PE module |
| Size of the module | Double module                    |

Part number

#### Version

| Termination method | Axial screw termination |
|--------------------|-------------------------|
| Gender             | Male                    |
| Number of contacts | 1                       |

### Technical characteristics

| Conductor cross-section | 25 40 mm²           |
|-------------------------|---------------------|
| Insulation resistance   | >10 <sup>10</sup> Ω |
| Contact resistance      | ≤0.2 mΩ             |
| Stripping length        | 16 mm               |
| Tightening torque       | 8 Nm                |
| Limiting temperature    | -40 +125 °C         |
| Mating cycles           | ≥500                |

## Material properties

| Material (insert)   | Polycarbonate (PC)     |
|---------------------|------------------------|
| Colour (insert)     | RAL 7032 (pebble grey) |
| Material (contacts) | Copper alloy           |
