

MT20-SWALKS-M6-30

Ruland Swivel Clamp Hinge Kit, Thread M6, L 30mm, Stainless Steel

Description

Ruland MT20-SWALKS-M6-30 is a swivel clamp hinge kit with an M6 thread and 30 mm sleeve and stud length. It is designed to join Ruland swivel components that begin with MT20 and acts as a hinge point. The user can use standard tools to make positioning adjustments when frequent repositioning is not required. MT20-SWALKS-M6-30 allows for movement of the swivel joint when needed in a more compact installation when compared to types with adjustable clamping handles. Components are made from 303 stainless steel for corrosion resistance. MT20-SWALKS-M6-30 is manufactured by Otto Ganter, inventoried by Ruland, and RoHS3 compliant.

Product Specifications

Sleeve & Stud Length L1	30 mm	Sleeve Length L2	6.5 mm
Sleeve Diameter D1	10.5 mm	Threaded Bushing Height T1	6 mm
Threaded Bushing Diameter T2	10.5 mm	Guide Bushing Height G1	7 mm
Guide Bushing Diameter G2	9.9 mm	Assembled Height HA	23.5 mm
Thread (TH)	M6	Thread Length	23.5 mm
Thread Pitch	1 mm	Insert and Screw Material	303 Stainless Steel
Weight (lbs)	0.044100	Manufacturer	JW Winco/ Otto Ganter
UPC	634529238295	Country of Origin	Germany
Tariff Code	7318.29.0000	UNSPC	31162908
