

## Full Motion Dual Desk Clamp for 13" to 27" Monitors and Laptops Up to 15"

MODEL NUMBER: DDR1327NBMSC

Mounts a monitor and a laptop off the surface of your desk, table or workstation to free up valuable space. Ideal for home or office use.

### Description

The VESA-compliant DDR1327NBMSC Full Motion Dual Desk Clamp attaches to your desk, table or workstation, allowing you to mount a monitor and a laptop above it and free up valuable workspace. Ideal for home and office, the DDR1327NBMSC fits most flat-panel displays from 13 to 27 inches and laptops up to 15 inches.

Dual swivel arms can be independently adjusted for angle and height to give you maximum flexibility in positioning your displays to fit your environment and comfort level. Move a screen closer to you, or push both screens out of your way when not in use. The monitor mount's 180° swivel and -80° to 90° tilt capability minimizes glare and provides comfortable viewing from multiple angles. The laptop mount swivels 180° with a 25° tilt capability. The monitor mount rotates 360° for viewing in portrait or landscape orientation.

Durable clamp attaches to most flat surfaces up to 2.4 inches thick for a firm grip. The unit supports monitors up to 22 lbs (9.9 kgs) and laptops up to 11 lbs (4.9 kgs). The durable all-metal frame with scratch-resistant powder-coated finish tolerates frequent handling and blends with any décor. Mounting hardware is included. Conforms to VESA-compliant displays with any of the following mounting hole patterns: 75 x 75 mm and 100 x 100 mm.
